EDUCATION

DBATU University (TPCT'S College of Engineering Dharashiv)

2020 – 2023

Bachelor of Engineering in Information Technology

CGPA: 9.06

MSBTE (Government Polytechnic Dharashiv)

2020

Diploma in Computer Science

83.66 %

TECHNICAL SKILLS

- **Programming Language :** Java, SQL
- **Web Technologies:** HTML , CSS , Bootstrap
- **Tools/Platforms:** Visual Studio Code , Eclipse , Sublime, GitHub
- **Database:** MySQL, Oracle
- **J2EE Technology:** JDBC, Servlet, JSP
- **Data Structures and Algorithms** (Array, String, Sorting, Searching, Stack, Queue)
- Good Understanding of **SDLC** and **Agile** Methodology

TECHNICAL PROJECTS

1. TechBlog (Java Web Application)

Description: TechBlog is an online blogging platform developed using Java, Servlets, JSP, HTML, CSS, and MySQL. It offers various modules, including user authentication through login ID and password, blog posting, profile updating, liking.

Key Achievements:

- Successfully implemented user authentication to verify user identities during login.
- Designed and developed a responsive user interface using HTML and CSS.
- Created a robust backend using Java Servlets for handling user requests and database interactions.
- Managed the MySQL database to store user information, blog posts and Likes.
- **Technologies Used:** Java, Servlets, JSP, HTML, CSS, MySQL.

• Mini-Projects :

1. **Calculator :** <https://priyankanakate.github.io/Calculator/>
2. **Weather App :** https://priyankanakate.github.io/Priyanka_WeatherApp/

INTERNSHIP

Intern At CodSoft | Java Programmer | [link](#)

- Devised Number Guessing System by using functionality of generating random number
- Devised Grade Generator System by taking number of subjects and marks and generate report card which tells total marks, grade, performance of the student
- Devised Bank Application which contain mainly two modules user and features of the application, if user is exit then only features module can be work

CERTIFICATES

- SQL Certificate by HackerRank
- Java (Basic) Certificate by HackerRank
- Certificate on Java Development from Qspider Pune.

ACHIEVEMENTS

- Received **Ideal Student Award** in school.
- **4th rank** in State Level **Elocution Competition**.
